GCCHS just finished their YMCA Exchange in May with students from Albert College visiting Grande Cache from Belleville, Ontario. Students were twinned with GCCHS students in grade 9-11. During their visit to Alberta, they visited the Columbia Ice Fields, they hiked and stayed overnight in Jasper as well as spending a night at

YMCA Exchange students BBQ at Fireman's Pit just before Albert College students returned to Ontario.

Camp Hideaway. The students did various

activities around Grande Cache and helped run a concession stand during the Victoria Day weekend ball tournament. Friendships were made that may last a lifetime.

Donations will be accepted for the local food bank.

Our modernization is progressing very well with many changes over the next few weeks. Most of our new classrooms are ready and high school classes will be moved into them over the first week of June. The portables will become the new classrooms for the SonRise program by mid-June. Work has already begun on the new library which was previously our gymnasium. During June and July, work will commence on building our new gymnasium with completion sometime in early 2017.

SPORTS JERSEY DAY

Thank You!

The Elite program would like to say special thanks to:

1. Walt Morey for donating a TIG welder to the Elite Program
2. Cy Skagen for coming in to help fix one of the metal lathes in the Elite Program
3. Brian Lott for always coming in to help students with their car projects in the Elite Program
